

**RAFFLES INSTITUTION Year 5 - 6**  
**RAFFLES SCIENCE INSTITUTE MARINE**  
**BIOLOGY PROGRAMME**  
**APPLICATION FORM – Year 5s only**

**Outline of the programme for 2011**

**Duration: 8 months (fortnightly meetings and one week during either June or December holidays).**

**The scope of this programme includes**

- a) Coral reef biology and ecology
- b) Conservation and environmental issues

Students who are selected to take part in marine biology related research projects (topics 1 and 2 on the research topic list) are automatically enrolled in the marine biology programme. However, please submit two separate application forms if you are also interested in this programme, so that you can be considered separately if your research project application is not successful. (If this paragraph does not make sense to you, you can ignore it).

To apply, please submit this form by **Friday, 11<sup>th</sup> of March 2011** to the OpenLab (Level 1M, Blk E). Only short-listed candidates will be informed of the outcome (via email) and may be required to sit for an interview. Please visit [www.rafflesscience.wordpress.com](http://www.rafflesscience.wordpress.com) for updates and further information.
